REAL PEOPLE, REAL TRANSFORMATIONS!

"Absolutely amazing! It completely shifts your paradigm for life. One of the most wonderful things about it is that the results are immediate. My whole perception and relationship to money has undergone a major, substantial change."

—Chris Attwood, writer and teacher, California

"I've spent most of my life trying to figure out what's true and what's real. I have to say I now have a clear glimpse into what it really is."

—Tom Hill, Colorado

"Before *Busting Loose from The Money Game*, I was very unhappy and frustrated in my life. I was driven to find more ways to make money. I changed jobs, cities, countries, went back to school, read books. Financially, the stress was causing anxiety attacks and migraines so severe I stayed in bed. The joy I feel now is priceless. Money is there when I need it, in the amount that's needed, no matter what occurs (car repairs, unplanned trips, etc.). It's absolutely amazing!"

—Suresh Thakoor, Texas

"As a retired professor on a fixed and limited income, I always lived from a tight budget and felt compressed by it—especially at the end of the year. I don't use a budget anymore and have opened up new streams of income that were always closed to me in the past."

—Howard Rovics, Connecticut

"It opened a whole new dimension for me and shifted my perspective on life completely. I especially love how practical it is. The application is so simple, so effective . . . and fun!"

—Doris Kahle, Hagen, Germany

"I'd had a lot of success in the corporate arena, made a ridiculous amount of money and lost a ridiculous amount of money. But I was caught in a cycle of making it, losing it. I needed to break that cycle—for myself and my family—and this gave me the keys to do that. *Busting Loose from The Money Game* opened a window I had no clue even existed. This is very cutting-edge, a revolutionary approach to unwrapping yourself from limitations. If you're not satisfied with where you are financially and you're concerned about your future, get this book!"

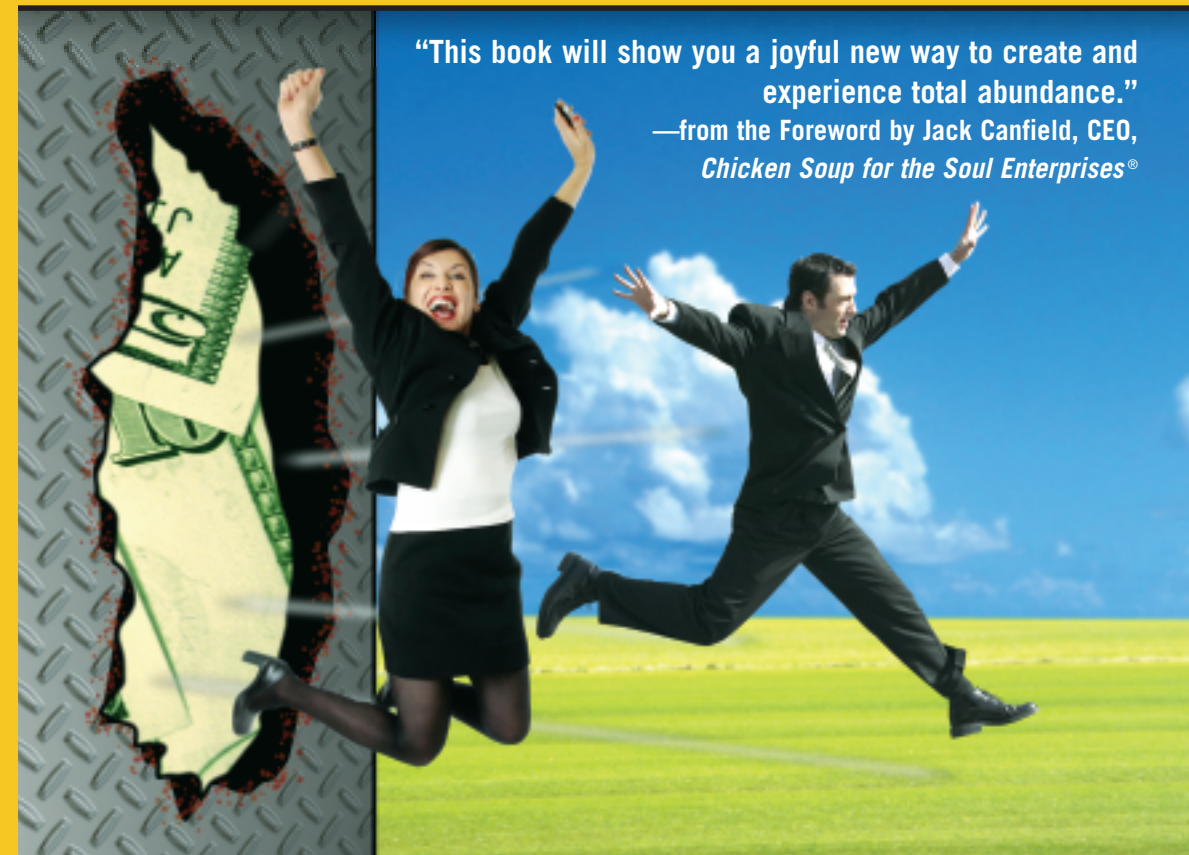

—Ben Coleman, Texas

ALL YOUR LIFE, WITHOUT REALIZING IT, YOU'VE BEEN PLAYING THE MONEY GAME. . . AND LOSING. NOW, FINALLY, YOU CAN WIN.

Are you in debt, struggling to make ends meet or fed up with not having enough money? Are you doing okay financially but want to do much better? Do you feel trapped, restricted, or confined by what it takes to sustain your success?

If you answered "yes" to any of these questions, you've been playing The Money Game. You were taught certain rules and regulations, and you've been following them faithfully, never once questioning their validity or looking for alternatives. You can become better and better at playing the game. You can pile up more and more winnings—but you can't win. Why? Because The Money Game was designed to be unwinable.

No matter how much money you pile up, there's always a price to pay in the form of restrictions, stress, relationship strain, health issues, disillusionment, and other problems—that is, if you play according to the rules and regulations you were taught. The only way to win The Money Game is to bust loose from it altogether, discard the rules and regulations you thought you had to play by, and start playing a new game with a new set of rules that work for you.

Busting Loose from The Money Game will make money a total non-issue in your life. Once you bust loose, there will be no more worrying about bills or balancing your checkbook. No more denying yourself what you really want because it's too expensive. No more asking yourself "Can I afford this?" or "Should I buy that?" No more complexity, worry, or stress that comes from trying to manage, grow, and protect
